Choice Foundation
...every life counts

CHOICE Foundation

CHOICE stands for

“Children’s Intensive Care and Emergency Foundation”

Problem Statement

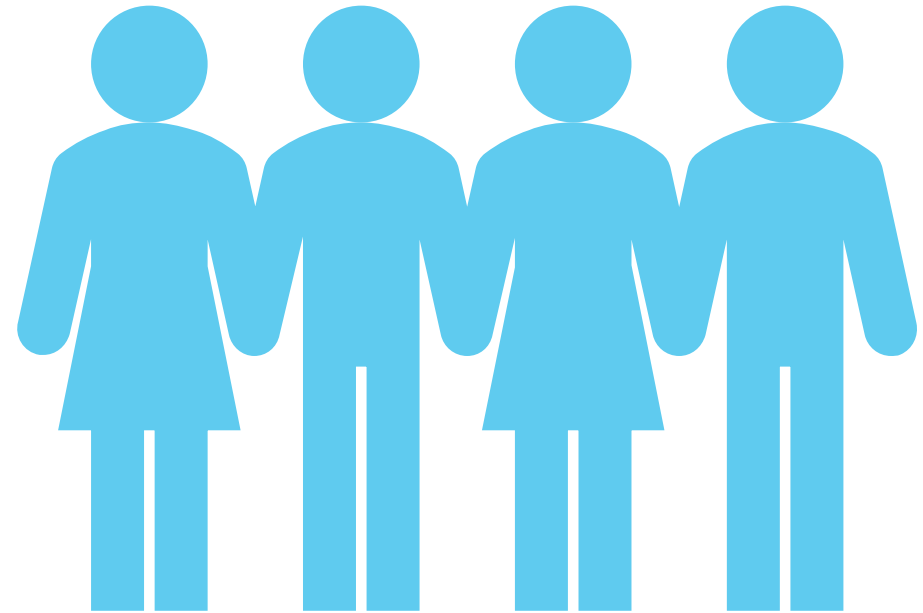

- ▶ Children **aged 3-18** often face difficulties expressing their mental health concerns verbally, leading to delayed diagnoses and interventions.
- ▶ Traditional screening tools: **time-consuming, resource-intensive**, and **inaccessible**, particularly in **rural and underserved areas**.
- ▶ Absence of scalable and efficient **diagnostic solutions**.

Our Solution

- ▶ Platform for children's pictorial submissions and answers
- ▶ Evaluated by Healthcare Professionals
- ▶ AI-powered quick assessments
- ▶ Saves Analysis Time
- ▶ User Friendly UI
- ▶ Streamline Diagnostic Process

Users

- ▶ NGO
 - ▶ NGO Admin (*maintainers*)
 - ▶ NGO Volunteers (*maintainers*)
- ▶ Schools
 - ▶ Teachers (*beneficiaries*)
 - ▶ Parents (*beneficiaries*)
- ▶ Children (*primary users*)
- ▶ Healthcare Professionals (*secondary users*)

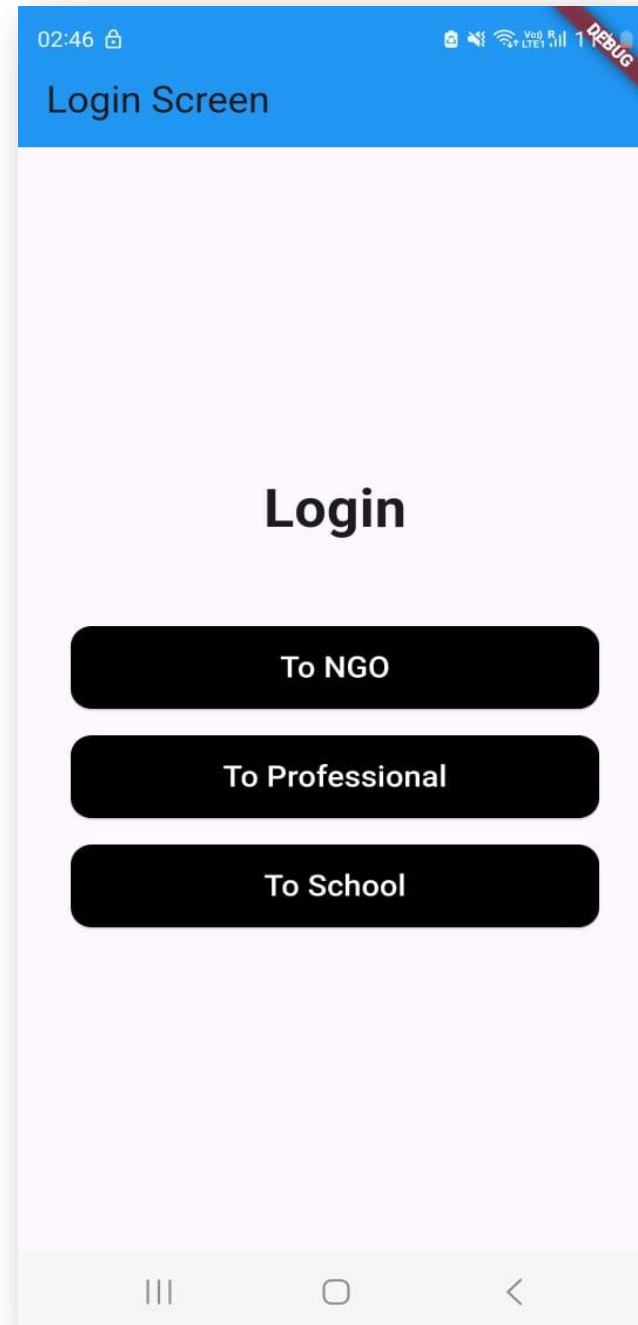

MINDSEYE

*We have tried to develop a user-friendly
& simple to understand UI/UX!*

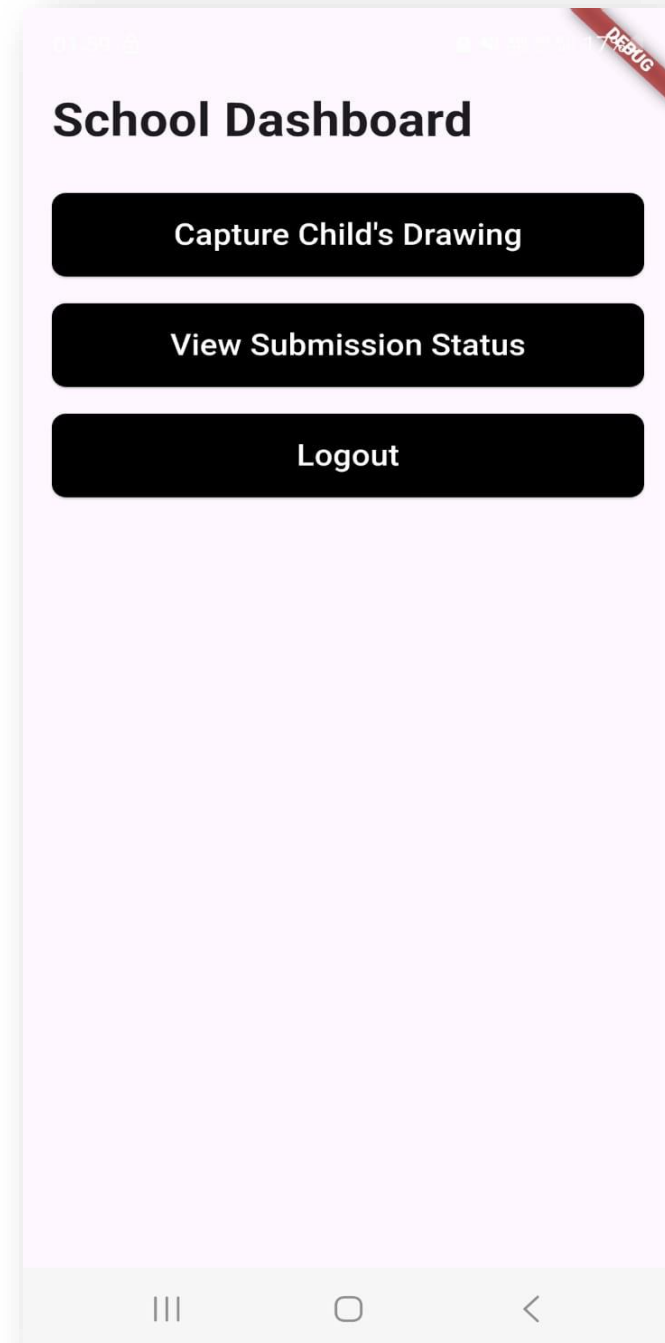

3 Primary ways to login to the App:

- As NGO member (Admin, Volunteer)
- As a Healthcare Professional working with the NGO
- As a School member (Teacher, Parent)

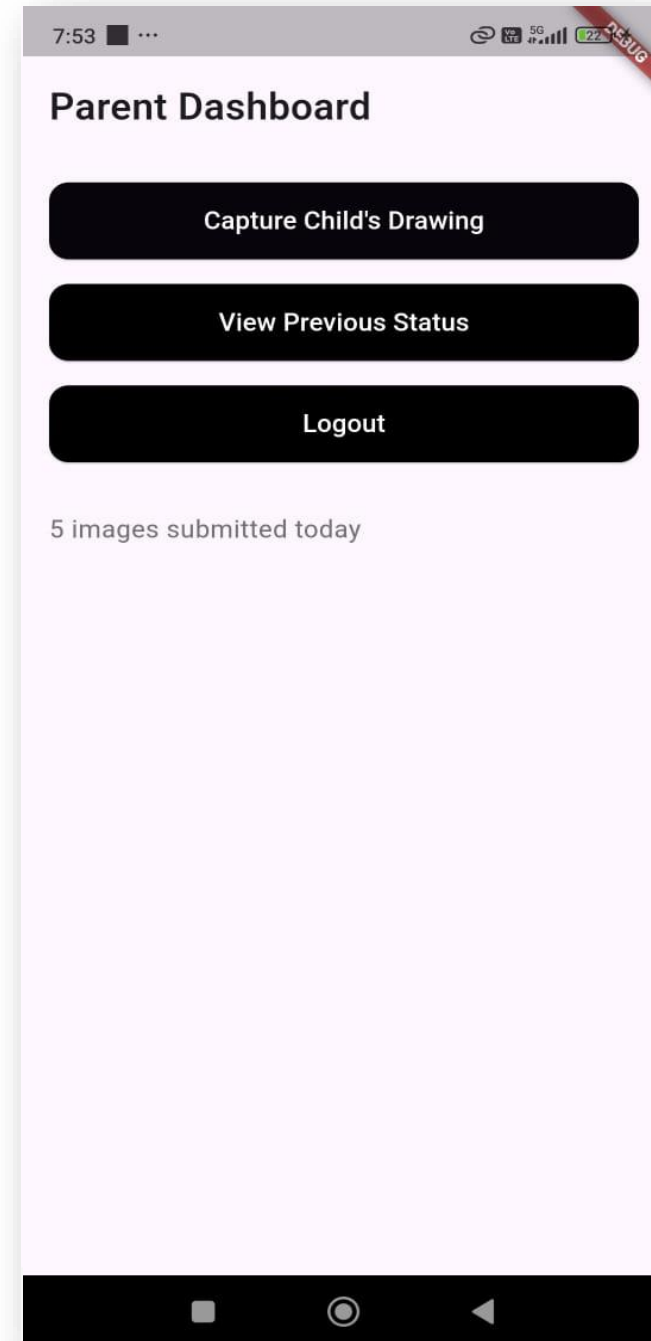

Main Features for Schools

- ▶ Login by Mobile Number
- ▶ Dedicated School Dashboard
- ▶ Capture a new child's drawing for screening process
- ▶ Can view all the previous submissions made via this School
- ▶ With Privacy maintained, only meta data of previous submissions is available (date, time, name etc.)

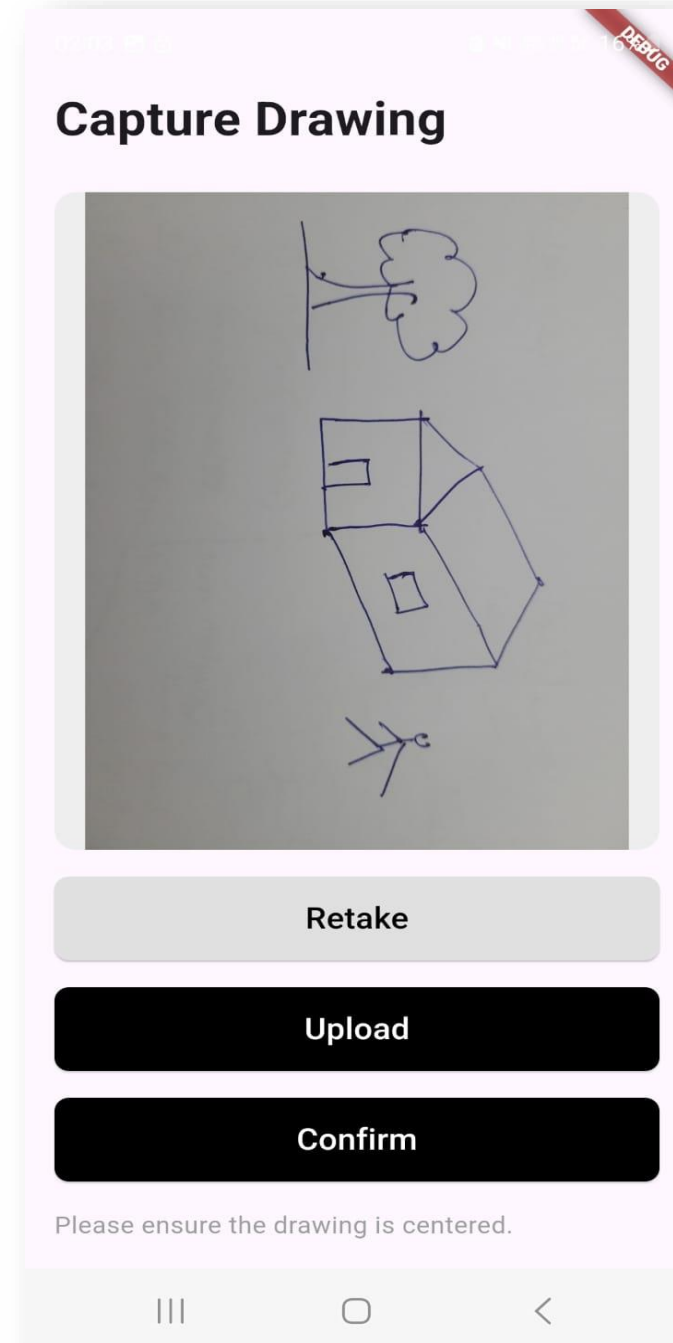

Logging in to School as Parents

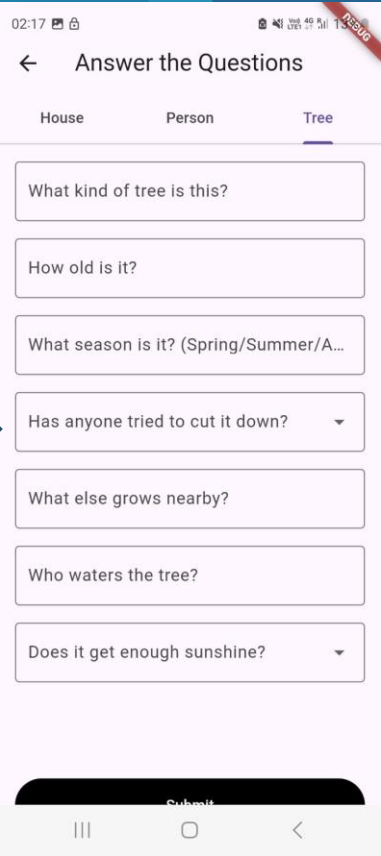

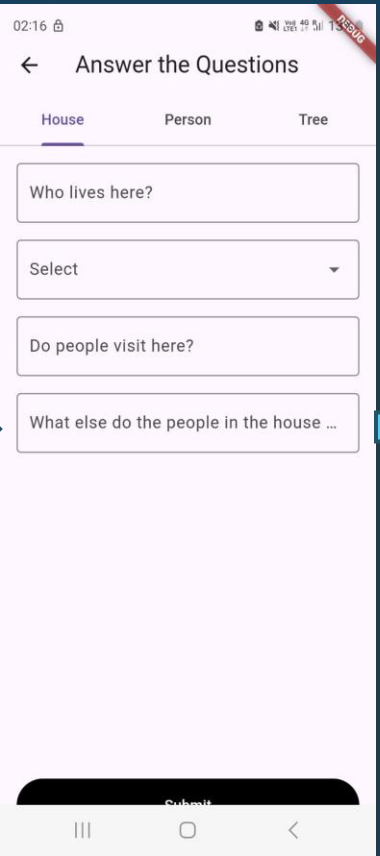

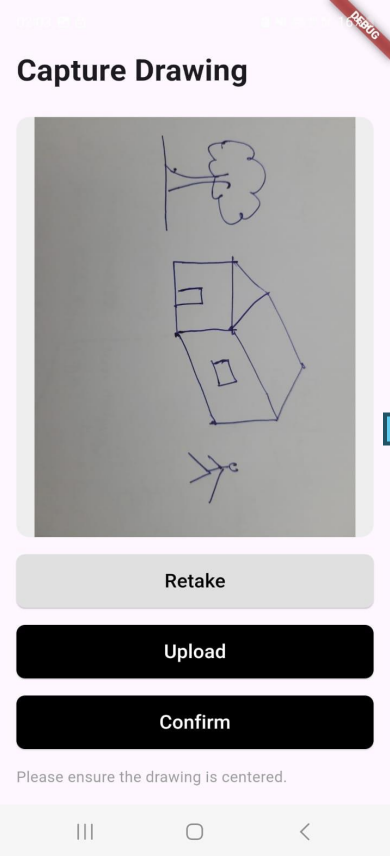

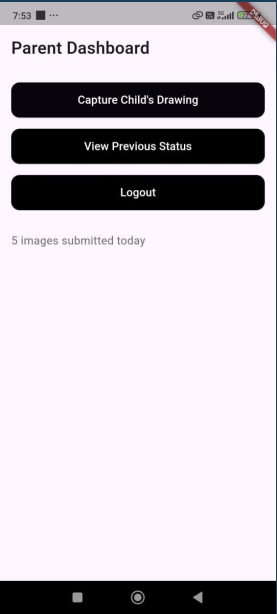

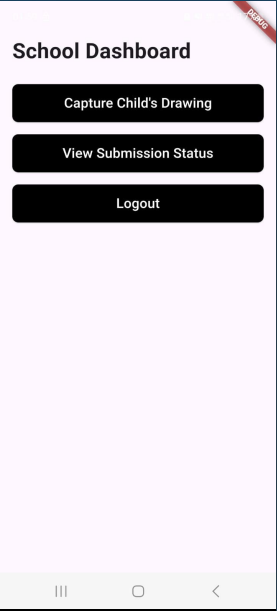

- ▶ Login by Mobile Number
- ▶ Dedicated Parent Dashboard
- ▶ Capture a new drawing for their children
- ▶ Can view all the previous submissions made earlier for their children
- ▶ Only their children's data is accessible for Privacy concerns

Capturing New Drawing

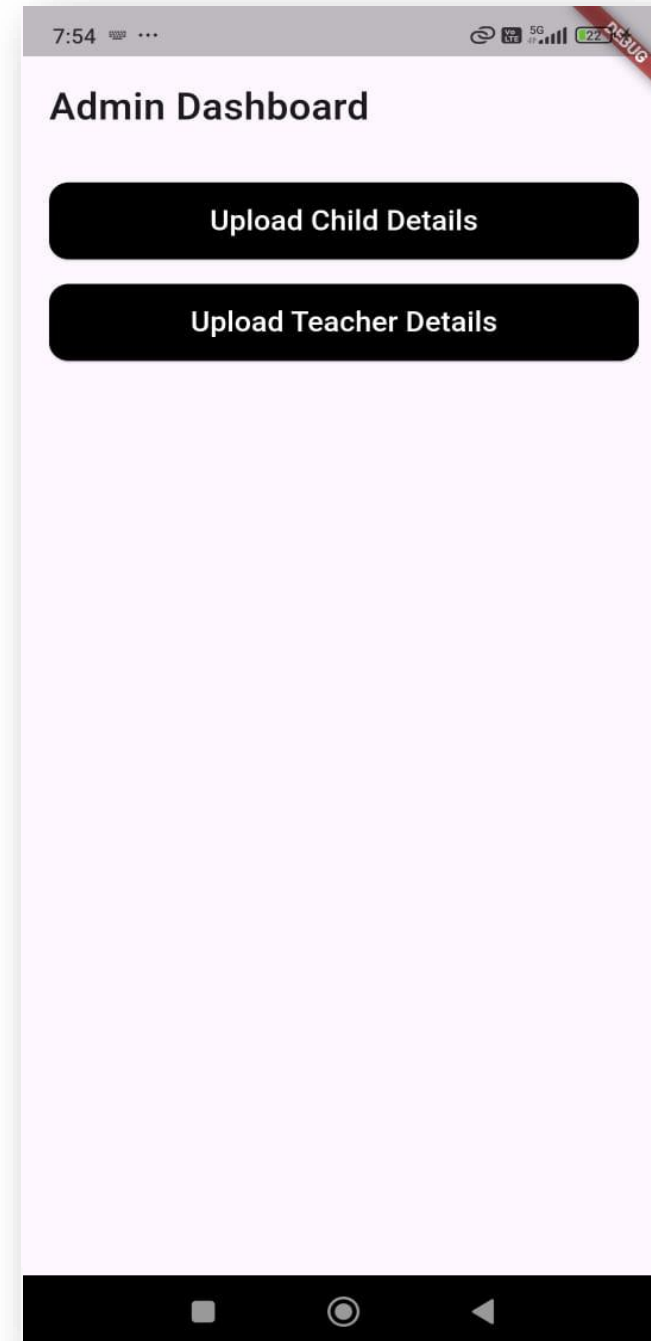

- ▶ Can either upload directly from device or can take a fresh image
- ▶ Option for retake available
- ▶ Once done, confirm to proceed to the follow-up questionnaire

Features offered for Admins

- ▶ Admins can add new teachers as well as students
- ▶ They are the ones onboarding new members to the School

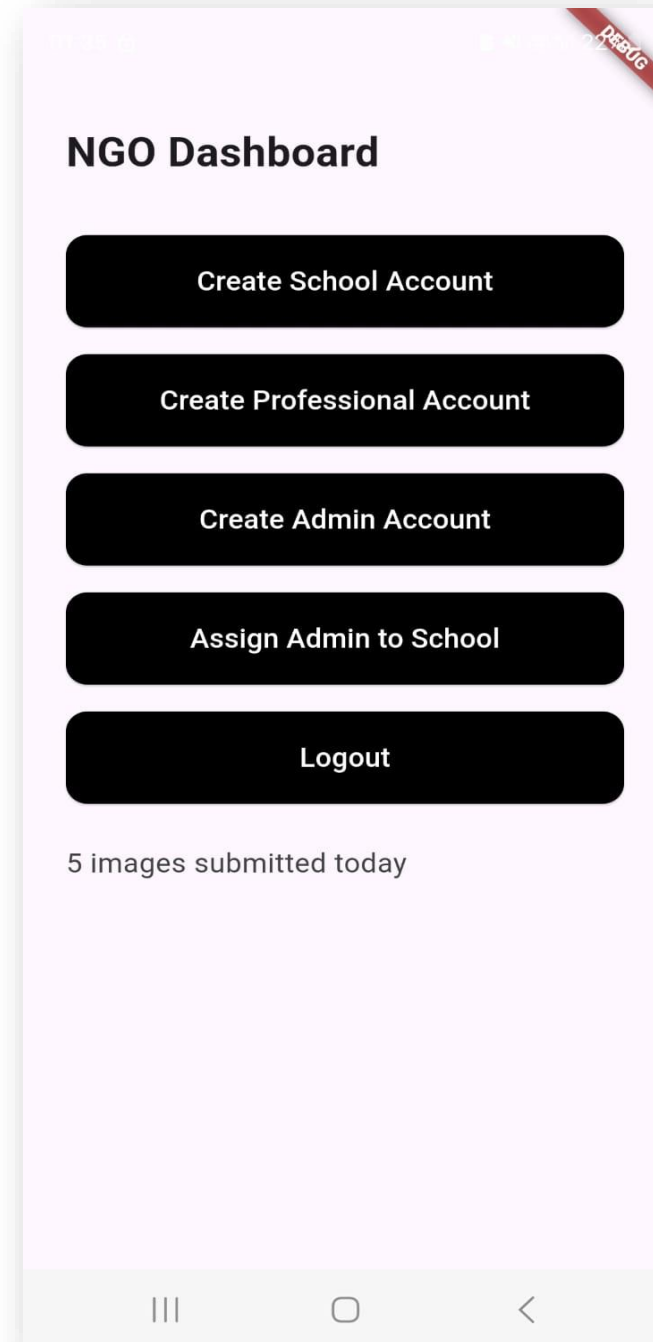

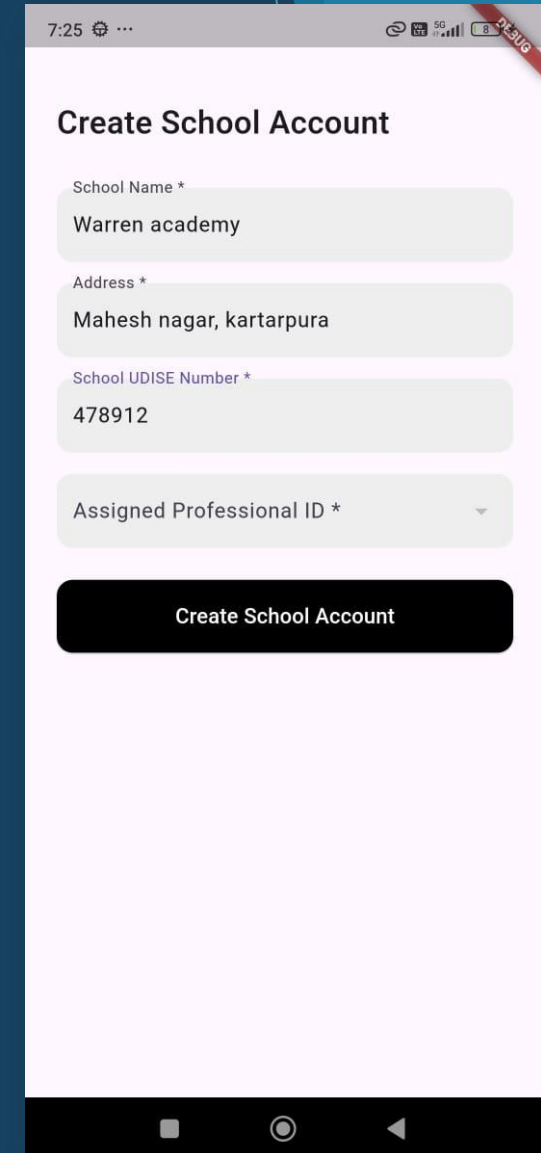

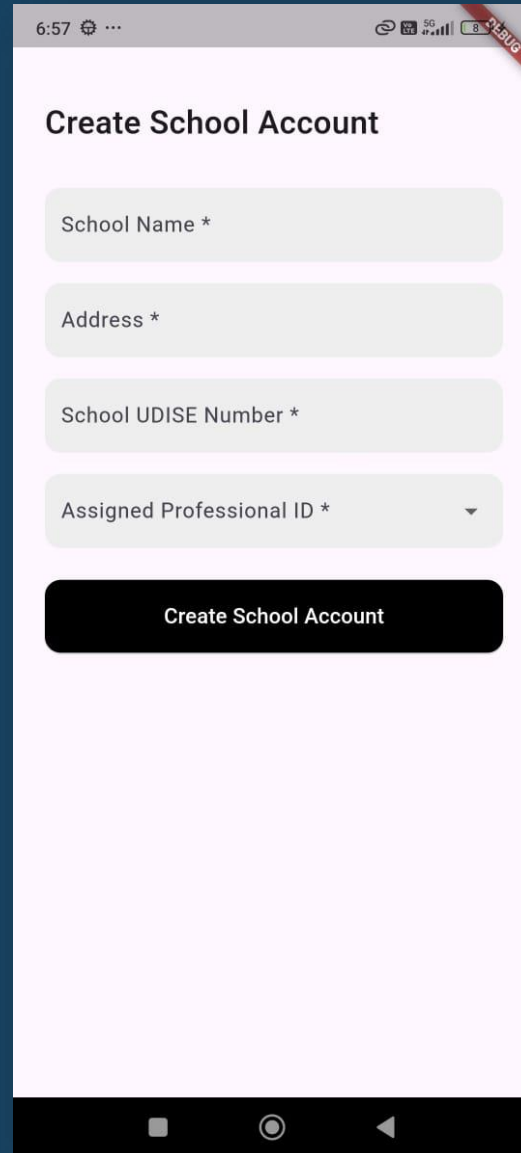

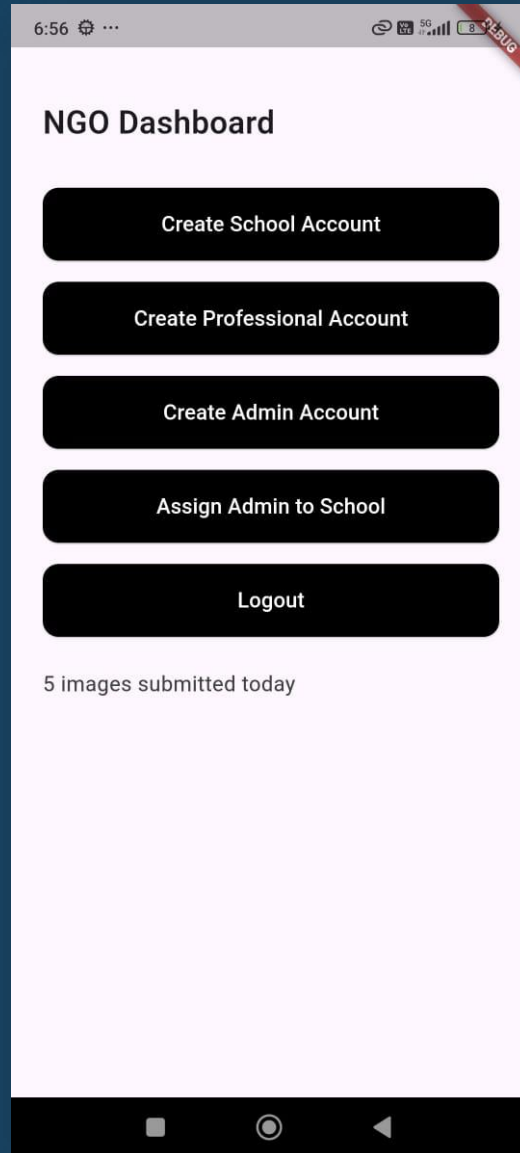

The "Upload Child Details" form is displayed on a mobile screen. It includes the following fields: Name (rahul), Child UID (56), Parent Phone (58769439173), Class (5), School (warren), and Date Of Birth (24052004). An "Upload" button is located at the bottom of the form. The status bar at the top shows the time as 7:55 and a battery level of 75%.

The "Upload Teacher Details" form is displayed on a mobile screen. It includes the following fields: Name (radhika), Class (5), School (warren), and Phone (8967523618). An "Upload" button is located at the bottom of the form. The status bar at the top shows the time as 7:56 and a battery level of 75%.

Key Features for the NGO

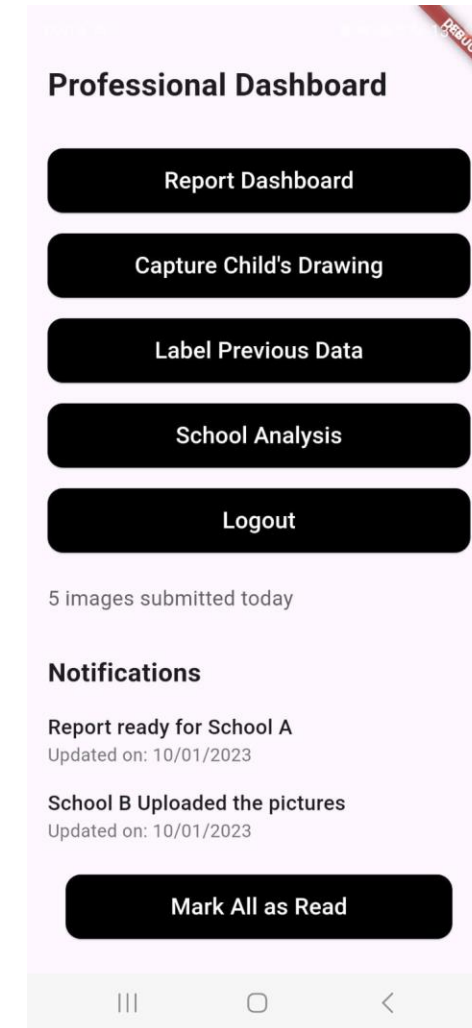

- ▶ Login by Mobile Number
- ▶ Dedicated NGO Dashboard
- ▶ Create Accounts for Schools, Health-Professionals, and NGO Volunteers
- ▶ Assign Schools to NGO Volunteers who will have Admin Access for the assigned school
- ▶ NGO Admin will enter corresponding credentials for School, Health Professional, and NGO Volunteers account creations

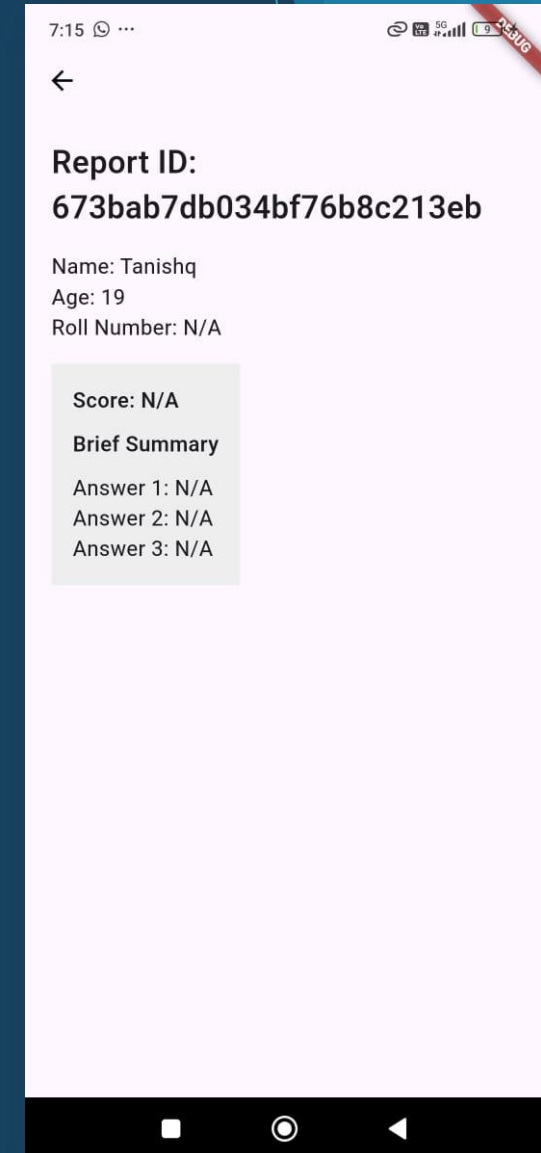

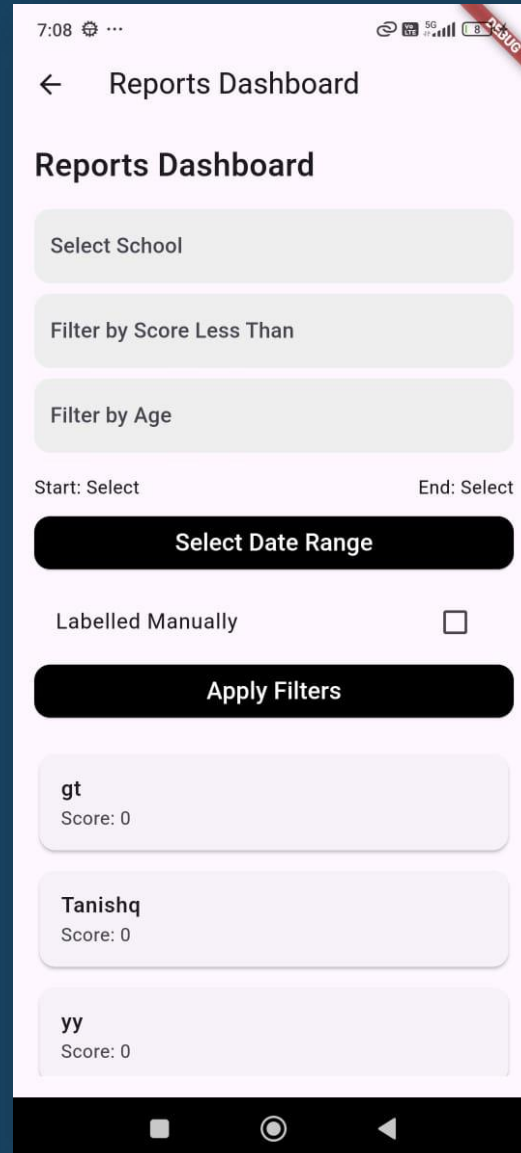

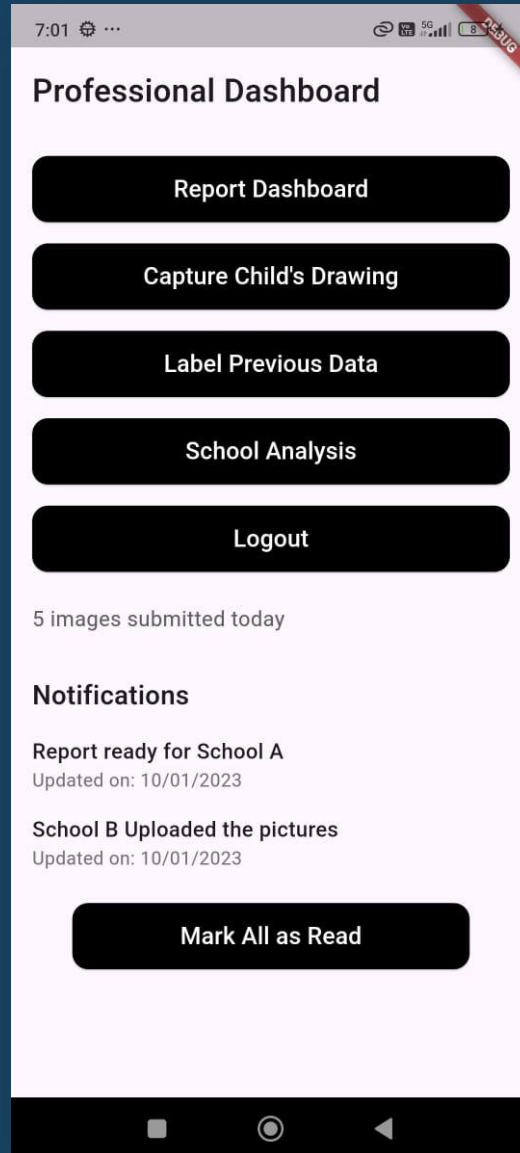

Features offered for Professionals

- ▶ Login by Mobile Number
- ▶ Capture Child Drawings
 - ▶ Additionally, can tag the Images manually
- ▶ Label previously Model-evaluated images
- ▶ Get analysis of the school(s) assigned to them

Thank You!!
